Villevox Technology and Services
(ville Target Platform)

Villevox Tecnologia e Serviços, developer and maintainer of ville Target Platform with its headquarters in Guarapari, state of Espírito Santo - Brazil, located at Av. Ewerson de Abreu Sodre, nº 484, commercial room number 202, Ed. Cristal building, Muquiçaba, zip code nº 29215-010, under legal registry number of 009.456.072/0001-12 establishes this instrument, namely Privacy Policy of which its conditions the customer joins and agrees:

SECTION 1 - ABOUT DATA COLLECTION PRACTICES

When you subscribe to one of our subscription plans (free or paid), as part of the purchase process, we gather the following information so that it becomes possible to create your account in the platform ville Target: name, full address, email, social security number, phone number, website and age information. After the registration, the user becomes responsible for updating and correcting these data.

The information provided by users are utilised for interactions and resources in ville Target platform regarding sending emails about news, charges, announcements, support tickets and guides of how to use the platform which are fundamental for the correct use of it.

When you access our website we also automatically gather information that helps us understand and learn about your navigation patterns. We utilize cookies to store your information.

Our platform makes usage of remarketing and cookies primary tools from Google Analytics in order to enhance the user experience with our content. On the other hand, Google itself has its terms of use and privacy policies.

All your collected personal information will be used to help us make your visit to our website as productive and pleasant as possible and elaborate content targeting practices, according to your profile namely remarketing.

SECTION TWO - CONSENT REQUIREMENTS

When you provide personal information such as, name, phone number and address in order to finish a transaction, verify your credit card, order a service, arrange a shipment or return a purchase we understand that you agree with the platform's data collection practices to gather data to be used by our company having seen that these data are vital to finish orders and process payments.

If we ask for your personal informations for secondary purposes such as, marketing, we will directly ask you for your consent, or give you the opportunity to say no.

What if you have already given your consent and would like to withdraw it? How to proceed?

If, after you have supplied your data to us, you change your mind, you can contact us at falecom@villevox.com.br or send us a letter to the company's address presented at the beginning of this document.

Additionally, you can remove your email address from the mailing list in which you are subscribed by clicking on the 'unsubscribe' link that is presented on the footer of all incoming emails.

SECTION THREE - RULES ON ACCESS TO DATA

Only villevox Tecnologia e Serviços' employees will have access to ville Target's users' personal information. Also, the disclosure of your personal information to third parties will not be done without your consent.

All your data is confidential, and, whatever usage of them will be in agreement with this policy. Whenever you feel the need, you can request a copy of your stored data in ville Target platform.

We could perhaps disclosure your personal information if we see ourselves obligated by law to do so.

SECTION FOUR - THIRD PARTIES' SERVICES

In general, third-party suppliers hired by us will only collect, use and disclosure information as necessary to allow them to perform the services they provide us.

However, suppliers of third-party suppliers such as, payment gateways and other payment transaction processors have their own privacy policies.

In regards to these suppliers, we recommend that you read their privacy

policies so that you can understand the ways your information will be used by these suppliers.

Additionally, we would like to remind you that certain suppliers could be located in, or maintain installations located in different jurisdictions from us or you. Likewise, if you continue on a transaction that includes a third-party supplier's service, your information could be subject to the law/s of the jurisdiction/s in which the service supplier or its installations are located.

Moreover, If you leave ville target platform or be redirected to a third-party's application or website, you will no longer be under this Privacy Policy or our website's terms of service.

Finally, when you click on links in our site, these links could redirect you to outside of our website. We would like to say that we are not responsible for other websites' privacy policies and recommend you that you read their privacy policies and declarations.

SECTION FIVE - DATA SECURITY

All information will be, when possible, encrypted if it does not preclude its usage by ville Target platform. To protect your personal information, we safeguard it and follow the industry's best standards.

Even though no internet based transmission method or electronic storage of data is 100% safe, we follow safety requirements.

SECTION SIX - PRIVACY POLICY ALTERATIONS

We reserve the right to alter this Privacy Policy at any time; so, please, revisit it frequently. If we alter this policy, we will notify you about it so you always have knowledge of the types of information we collect and how we use it.

If our company or service gets acquired or merged with another company, your information could be transferred to new stakeholders; thus, we can continue to sell you our products. Also, they will assume responsibility over your data, according to previously signed contracts.
